Managing the River to Failure –
Is There a Better Way?

Goal for Today

Realistically Consider the Current Path of the Middle Rio Grande
Understand Our Water Management Is Less Than Perfect
Identify Our Limitations, Urgencies, and Mistakes

Explore Better Ways to Assure Our Water Future
Identify Approaches that Could be Pursued
Seek Ways for the Remedies to Really Happen

Summary of Today's Agenda

- Concerns on the Rio Grande:
 - Legal Constraints
 - Impending Train Wreck Events
 - Our Unwise Behaviors
- Working Lunch – Election of WA Directors
- Addressing a Better Way:
 - Keynote: A Shakeup Is Needed
 - Panel: Possible New Creative Actions
 - Discussion: How Can We Move Forward?
